

Anna Fowlie

Registration of Care at Home Managers

## Supporting the care at home workforce

- A significant workforce that can make a real difference to the most vulnerable people in Scotland.
- Create a culture of learning.
- Need to build upon the significant skills, knowledge and experience of this workforce.
- A workforce with the skills needed in the future.

## Registration of the care at home workforce

Registration for care at home managers and housing support managers begins in December 2010.

You can be registered with the condition that you gain a relevant qualification in a specified period of time.

Go to [www.sssc.uk.com](http://www.sssc.uk.com) for information about the qualifications and the registration process.

## Support for training and development

Even in these financially difficult organisations must invest in training.

The SSSC website has a whole section on funding for training:

ILA 500 funding – up to £500 for anyone doing an SVQ3 or above.

Modern Apprenticeships – for example SVQ3 - £6500

Lloyds TSB for charities

Voluntary Sector Development Fund – SVQ 4 - £2000.

## Flexible training opportunities

# Care at Home workforce – making a real difference

## The future

An assertive workforce – confident in their skills and knowledge

Working with health services as equal partners

Working with the SSSC to ensure qualifications that meet the changing needs and expectations of people who use social services and carers.
