

You're invited you to take part in one of the PRSB's webinars, which help to determine what information should be shared in this joined-up record. The views of both carers and care provider professionals are highly valued, and will help to make care better for people. You can find details of the webinars below. Please contact support@theprsb.org if you'd like to join a specific webinar.

End of Life

On **Tuesday 19 February** at 10.30am - 12pm, we are holding a webinar to inform the end of life section of the care record.

Who should attend? Clinicians, palliative care nurses, carers, hospice, care home and home care professionals and other end of life care specialists.

Maternity and child health

On **Tuesday 26 February** at 10.30am - 12pm we are hosting a webinar to inform the maternity and child health section of the record.

Who should attend? Pregnant women, parents, midwives, obstetricians, gynaecologists, surgeons, paediatricians, paediatric nurses, genomics experts, social workers, health visitors, dieticians, dentists and other professionals from across health and social care.

Social care

On **Tuesday 26 February** at 10am - 12pm, we are hosting a social care webinar, to determine how care in this area will inform the record.

Who should attend? Social workers, carers, patients, health visitors and care home and home care professionals.

Mental Health

On **Tuesday 26 February** at 2 pm - 3.30 pm, we are hosting a mental health webinar, to determine how care in this area will inform the record.

Who should attend? Mental health professionals, care home and home care professionals, carers and patients.

Patient and Carer needs

On **Wednesday 27 February** at 10am - 12pm we will be holding a webinar to focus on patient and carer needs, to find out exactly what you feel should be held in your record.

Who should attend? Patients and carers.
